127 Tham's Street THURSDAY MORNING, JUNE 6, 1850.

t-The long agony is at last over, and a new Town Connect less both obsered; er a mainly composed of need mea, and we lesse that they will prove efficient, for ti public will certainly hold them responside for the makingement of ton. Monicipal at his during the year. We said what we have enter before. Town Meeting, and now we are willing to give the new Coancan fair and full trail; we spake painly because we conceived a to be a duty to do se, and because we are never afrail to speak our sentiments, on all perasions and in regard to all topies, no mester who may be pleased or who may be effended. Darng the agitation, one Revenued gentleman e pressed the pions desire to G trame 7 - palatee Carri on throught and thus sil our remarks; this, to be sure, was a Viv liberal and eleristica desire, and should catale the atterer of it to a very high seat or the kingdom of beaven,-and, Jorlans a may got there. We, Innerver, will one this efficiency and two-sided. Priest e a theory out power enough in his men relief physical construction to silence in and preventions specified what we think A times and on all subjects. We have n respect for the righ, when the defi-... James this opinion publicly.

Let the new Conneil do the best they e a, and if they give us the good and effic 1 at government which has been promised it to they will receive the thanks of the er assembly. They have much, very much to do, and the task upon their shoulder is no small one; the public expect much from them because those who advecated the Reform have controled that by it : and government round be obtained. Now L: us have it-

27-We are informed by some of the Committee of Aurangements for the Fourth or July, that the appropriation is entirely in dequate to make a respectable cemon stration, and they will be happy to receive any contributions from any of the tonizens for this patriotic object. If the citizens would contribute committing to the amount appropriated, we might have a very good celebration; it terrainly would be for the b neft of storr-keeper-, botel-keepers, &c.

3-We have received from Graham a copy of his Premiusa Phile for aubserbers cantled "The First Prayer," It is an evanishe work of Art, and tellects preat e die on the enterprise of the publisher of Godiana's Magreener; this will be furnishof to new subscribers of the Magazine for the ensuing year, grafts,

to There has been a good deal of legerdemain carried on for some time past in the construction of the Public School Comembre of this town. We know that the most rigid palus have been taken in keep e I more than one new from this Commit too by those who do ire to leave the exclueve control of matters, and who are determened to keep off all those who might have a will and a way of their own in the reguaction of Educational matters. To speak sulgarly, they do not do iro a larger fish in the pand them what they conceive them . Costo he, and hence their pious efforts to beyon the Committee made up according to their own blanc. We shall see that the smatter is attended to, another year, Not that there is not quite so, much dieta $\tau_{\rm cold}$ in regard to be all area.

We are indebted to the Hun. George C. King and the How. Nathron V. Dixon i a varuable Public Descriptors.

gy-Oar thrules me due to R. B. Kinsley, things, for the Boston (Mens.)

Of all the hallusinations that of the ach man living in dread of coming to want is the most pitulal and dumiliate ting. The present Superintendent of: the Massichuseus Hospaul for the Insine, says that in all the cases of insomy that have come under his notice, produced by a fear of coming to want,] the patients have been rich men! In process has the man of herable means teen visited by the form of insactly.... Ponder that, ye that hig your good!

The steamship America surved at x Monday morning; she brings but little

news of importance. GENERAL NEWS From the innuit returning districts the q

mints are satisfactory. The news from India and China has he a favorable tendency, and has imparted h creased firmaces to the markets.

ENGLAND.

The effect of the withdrawal of the Prench ambasandor i induced a sensible of fection the Funds, but they foun talked, and the belief was general that the movement on the part of Prance was a mere rife of the munisters, to enable them to carry the new ell eteral law.

Circulation has been given to an ical! ing note from Russia, addressed to local Palmerston, condemning in strong time the policy of the Yuglish Government in regard to the Greek question. The confu

ding sentence of the note is as follows: ... As the manner in which Lord Palifer ston understands the protection due to beglish subjects in foreign countries, conics with it such serious incompenience. Bassit and Austria will not beneafarth grout the iberty of residence to English subjects, except on condition of their renouncing the propertion of their Government."

Under date of Paris, Thursday evening the London Panes, in alfusion to the diffiealty with England, says that Lord Pdmerston's offer of Compromise has been sejeeted by the Vranch Covernment, and at a Cabinet Council, the President of the Republic dictared that the acceptance of any other conditions than the pure and sample execution of the Convention of Londen, was not consistent with the dignity of Prance, and to none other would be congent.

The ministers unacimously approved of the conditions, and expressed their intention to adhere to and adopt them.

An attempted assuraination of the King of Prussia has created great seasation throughout Europe. The attempt was made at Potsdam, by a screent of arollery, who fired a pistol at his Majesty and affleted a would in the arm.

Pope's accussed of cade woring to escape from Rome again, and of a wish to place himself under the protection of Austria, but is too closely watched by the French. Unlass the Pupe yields to liberal institetions, there is reason to apprehend that the Papul Government is near its end. Her Majesty's steamer Spiteful has been sent view, it is said, of demanding reparation for the losses sustained by the English in

Genven.-The Greeks, uniware of what had passed between Elegiand and France, had bonorably received. Mr. Wyse and midly resumed their relations with him --Admiral Parker had sarted for Malta.

DENMARY AND THE DECREES. -- Advices from Hamburg state that the work of the pacification of Dommark is now carried on in London, and that England and France have assented to the proposal of Prussia, to ure matters to a summary decision on the Danish question.

Austria and Hennisy.-The Jesuite had been admirred into Vienna again, despite the opposition of the Ecclesiastical authornies. Daiman has been definitely placed under Jellachielt, who is now Chief of Craytia, Selavonia, and Dalmatia. Kossuth's clubben have been allowed to go to him. Bend's manie has been mailed to the galaxys by the public executioner, and bis property declared forfeited to the State.

A despatch apponeers a decree of amnesty in tayor of Hongary, and the supprocesion of the Customs barriers between Austria and Hungary. In the gamson of the newly recruited. Honveds we saily, a yearig Hungarian noblemun, laving discmonered parting the contence into execution, bet he had arrated only a few blows when the young asbirman stak down and fit of apoplexy. In one mannert all the Honvi la rich d'upon the equan and più him to death. On the same evening the entire troop was dishandad.

Divin or Cognorous Coors.-Commedote Benjasla Cooper, U. S N , died at his residence in Brooklyn, N. V., on Plantiday morning, at the age of alreat 57 years. He was a mative of New Jersey, and entered the service in 1800. He served with distingtion under Lawrence, in the Hornet, during the war with England, and has seen in all, eighteen years of sea service since he entered the nivy.-He was quite recently in command of the African Apadron, whence it will be recollected by unexpectedly returnret, owing to it health. BY TELEGRAPH.

CONGRESS.

WASSIGNOR, Passing, Jule 4. Strang.-M. Jefferson Davis reported i joint resolution responding the Mexican ralmiteers.

Mr Dickmenn reported back the bill for iew coics, stightly consided.

Mr. Benton moved to refer the report of the commessioner general of the land office, and his bill introduced vesterday, to the committee on Lands; which was carried. The bill to remit the duties on the pre-

sent of the Saltin of Turkey to Messra. Morse and Colt of New York was, after an animated discussion, taken up and passed. The Bradbury resolution was called up. Mr. Webster is speaking at length, and

says that it is a wholesome rule to adhere to settled and uniform practice and that there is no precedent for this measure. Horse-After the reading of the journal,

&c. Mr. Johnston, of Tenn., introduced a bill for the encouragement of Agriculture. Mr. Bayly called for the reports.

Mr. Kunffran moved that the House go nto committee of the whole on the California business, but withdrew his motion.

Mr. Stevens of Gal, renewed the motion, und was earliste.

Mr. Thompson, of Miss., addressed the How a warmly, and appealed to the imperious North. They had the majority and on them rested the responsibility if no comprombe was made.

He predicted that the time for monarchists had nearly arrayed, and appealed to the Democrate, as on them the safety of the Union depended.

H macety Democrats, said Mr. Thompson, were opposed to the plan of the President, it would inevitably endanger the Un-

He advocated the claim of Texas and the line of 36 with territorial government South thereaf.

WASHINGTON, Tuesday June 4. The Union of this morning says that it understands that desputches have been reecived by the Government from our consul at Havana, saying that he had demanded the 105 persons taken by the Spanish ship of war on the island of Contoy.

Comoy is a neutral territory and the men who were taken there had not been en-Rome and the Italian States .- The | goded in open hostilities, and were actually considering of abandoning the enterprize and returning to the United States.

The Spanish Governor has made no reply a nar consult, who had transmitted the dospatches to Weshington and asked for additional power to second his demand.

Desputches were received yesterday sent

Should the Spanish Government refuse to deliver up the men, the coasul is instructed to inform our Government immediately, and in the meantime our vessals of was are to obstruct the communication of all vessels with the part.

It is reputed that two vessels with reinforcement for Gen. Lopez, which were commissioned to land at different points of the island, are still at sea, their tate and destination unknown.

It is said, that in the event of these vessels being captured by Spanish vessels, our squadron is instructed to demand them of the Spanish Commander, and if not given up at ones, to solve them by force.

Mr. Walter Lenox was yesterday elected Mayer of Washington by 37 majority. The United States frigate Suranae has sailed for Cuba, and we understand the Congreev will receive orders to-day for ther des limition. They are going to demand the surrender of some of the captured Americans.

AN ADVENTURE OF OLD AGE -Among the passengers who arrived at Boston, on Saturday last, in the bark Engles from St. John's, Newfoundland, was Michael Mulloy, aged one hundeed and three more. He is a native hered orders was sentenced to be flogged, of Kilkenny, Ireland, which place he All the exponds of the regiment having left SC years ugo. He comes to this niksed to execute the centence, a corporal country to visit his children; and is of the Havine registerst of Introtty was going first to Providence, R. I., where announced from another barrack, and come of them resides, and then hopes to reach Michigan, where he will meet another. He enjoys fine health and says he has never lost a night's sleep on account of sickness yet. He walks with a first step and his eye-sight is keen enough to enable him to thread a fine calme needle without the use of

 $\{g,g\}$ The application of Mrs. T. B. Lawrence, formerly of Beston, for a divorce from her husband, on the ground of barsh and improper treatment, is now pending before the Court at Louisville. The jury have rendered a verded for the applicant, but the decree of divorce has not yet been declared.

1759 A returned Californian says of the country and the people--" I was a

A Correspondent at Berlin writes that great interest has been manifested in that city, in the fac of the murderer of Dr. Parkman. An appleasant confusion existed in reference to the identity of the person who was on trial; some thinking that it was Daniel Webster, and other that the great Lexicographer, Noah Webster, had been restored to life for the accasion. The Professors in the University expressed the greatest sympathy and anxiety in the matter, creditable to themselves, and affecting to the family concerned.

A Pointes Laureann.—A writer in the London News argues that under the rule of an enlightened Queen it were fit that the laureatship should devolve on a lady, and Elizabeth Barret Browning or Caroline Norton, are named as fully deserving that honor.

A Fronting Ecclesiastic .-- A letter from Key West says that among the invaders of Cardenas, was an Episcopal minister from the West, who was killed; his name is not given.

Thou wilt benefit thy city most, not by elevating its roofs, but by onlarging its souls; for it is better that great souls should abide in small houses, than that grovelling slaves should have their burrows in long dwellings.

WISTAR'S BALSAM

TROTH IS MIGHTY AND WILL PRIVALL.

ATHORNS, August 24, 1846.

Dear Sings Harving loon afflicted for more than ten months with Chronic Inflated for more than ten months with Chronic Inflaten ation of the Langs, at times very severely, and having adopted many northerness without any long transparent reflect, I pricebased about those and it transparents reflect. I pricebased about those to disks of Wilsan's Balsam of Wilst Christy, from the effects of which I obtained more reflect them from all the medicines I had ever taken for the obtained glues den. I have by the repeated need of this valuable Belson, becament the from particular distribution of the most of the action of the most density than I had manifequent-seand, also of conceive that I will be cared by continuing its near of this seart debrack many by continuing its near their fally torder you this metals that will be most cherifally torder you this metals also defended in the search of the search o

GONCENTRATED SYRPP OF SARSAPA-RHALA.

It is a wall oddle fact that no mediane ever brought before the plate that have mediane rever brought before the plate that have no mediane ever brought before the plate that have been defined from the plate that have all all and all comments whether we have perfectly as that of Dr. Contret's: The district which a lead that of Dr. Contret's: The district which a lead that of Dr. Contret's: The district which a lead to have a perference, as the formula validity of which the plate is proposed to make the plate with self-sum to so the highest repeated tremshal agents only does not include any Middle Companied.

But tread what Bing this say, whose will have we hance are give felt assumity to its virtues.

So The Companiol Concentrated Symp of Sarsapuilla, made by the United Spring of Sarsapuilla, made by the United Spring of Consolatory is propaced with great care, and the investing denocal bit it is now prospelled by us still the Physiciac in Boston and elsewhere, which is the best evidence that they give in a preference over any other preparation of Sarsapuilla offered to the public.

Since its introduction, its representable of properties of the reading and its producity extending in even also the distriction. Judge a recommended by most districted of physiciacus.
